

Caravan

*A Music and
Dance Journey*

Through the arts, we can learn to appreciate what is unique and beautiful about another culture, develop a better understanding of our world, and dispel stereotypes.

Discover the unique cultures of the Arab world through its music and dance

Zulaika's enthusiasm and knowledge of this exotic culture will ignite your desire to learn more about this volatile and critical part of the world. *Caravan* is a joyful kaleidoscope of dance, pageantry, and music!

- Explore the rich and varied cultures through a myriad of music, video, movement, cultural, and language activities.

- Experience the joyous, expressive dance forms in their cultural context - from the men's stick dance in Egypt, to the women's party dances of Saudi Arabia, to the line dances of the Levant!

- Discover a broader understanding of a people much misunderstood.

"Zulaika did an excellent job working with our K-6 grades. Students were very excited after seeing her presentation"
Susan, Teacher

"Zulaika introduced new ways for students to think about Middle Eastern culture. She has a passion and enthusiasm for her subject which further engaged the audience."
Monica, Children's Librarian

Did you know...

♦There are 22 Arabic speaking countries... each has their own unique music, dance, traditional dress, and arts.

♦We use Arabic words everyday....
Soffah - a raised floor covered with carpets and pillows.

♦Tarab is Arabic for "enchantment"...
or musical ecstasy, a special state when the music becomes one with the musician, the singer, the dancer, and the audience.
